The National Capital Outaouais (NCO)

Alpine Ski Team

The National Capital Division and the Outaouais Ski Zone are non-profit organizations dedicated to the development of alpine skiing excellence in the youth of the National Capital/Outaouais Region. During the 2013/2014 season, the National Capital Division and Outaouais Ski Zone has had over 1,000 athletes in racing programs.

The **National Capital Outaouais (NCO)** development ski racing team is composed of the best regional athletes at the U16 and FIS (16+ yrs old) levels. These athletes represent the National Capital/Outaouais Region at provincial and national competitions. It is among these competitors that – with your help - we will find Canada's next Olympic alpine ski racers.
