PROTOCOL USE:								
<p>1. Please always communicate to the head coach and the age appropriate lead coach. In this way we will ensure all the athletes in the region are being given the same info</p> <p>2. You should be able to simply copy the cells in the appropriate column and paste them into your email adress bar to send an email.</p> <p>3. As updates become available, I will circulate this list to all the participants on this list and the NCD &amp; OSZ</p> <p>4. Each club is responsible to circulate internally but also they need to take ownership to ensure I have the most up to date info</p> <p>5. Please send any revisions to jrosewarne@sympatico.ca</p>
