Camp Information

This is a new event for the 2017-2018 season. This year the SQA is offering a Regional Camp de Releve for Zone de Outaouais Athletes only. It is open to the 5 clubs in the region (Edelweiss, Cascades, MSM, Vorlage and ESCF). Each club may send 6 athletes to the event. It will be held over the dates of January 30, January 31 and February 1 from 8:30AM-3PM each day. Each athlete will be required to purchase a lift ticket each day and cover the minimal cost of coaching (approx. \$65)

Camp de la Relève is a SQA-sanctioned racer development camp that is by invitation-only to the top performing racers in the U14 category across the Outaouais region and is open only to athletes registered with the Outaouais Ski Zone.

Parents are responsible for getting their athlete to and from the hill.

The training days consists of a Slalom day, GS day and Super G day (TBC).

All participating athletes must have Super G skis with minimum 27m radius to participate in the Super G training day. (NOTE: athletes must be participating in every day of training)

The camp will be run by the SQA however The Zone encourages clubs, at their expense, to send coaches to support their skiers and to develop younger coaches in our regional system.

Information on details from the SQA will be sent out as soon as available.

Selection Criteria

The final selection is the decision of each individual club. The Zone provides the following guidelines to make selections.

The camp is open to 6 athletes per club, ideally 3 males and 3 females. In an effort to recognize both 1st and 2nd year athletes, the following recommendation is put forward.

4 Athletes (2 Male/2 Female) - 2nd year U14 athlete – *Has finished the 1st year of the U14 program and is going into the 2nd year of the U14 program.*

2 Athletes (1 Male/1 Female) - 1st year U14 athlete - *Has finished the 2nd year of the U12 program and is going into the 1st year of the U14 program.*

The ratios as presented are guidelines only. We encourage each club to consider this as an opportunity to attend a development camp and send the most appropriate athletes. Should your club be unable to use all 6 spots, please advise the U14 zone coordinator.
